For my followers who converted from Protestantism, what was it that finally convinced you that Protestantism was wrong?

4 things led me to leave Protestantism for the Catholic Church:

- 1) I noticed that Protestant pastors are not often 100% pro life. I recall a pastor saying abortion is alright for a certain woman.
- 2) I realized “justification by faith alone” is never mentioned in Bible and actually refuted by the Bible. Works are required.
- 3) Scripture alone isn’t stated in Bible and not one Protestant agrees with another on what Scripture means.
- 4) Everything Protestants told me about Catholics and the Virgin Mary was a lie. I then realized that they were repeating other lies about Catholics. Dominoes began to fall after that.

What caused you to leave Protestantism for Catholicism?

This was a huge sticking point for me with Protestant theology: everyone claims they're guided by the Spirit, yet somehow the Spirit's been leading millions of them in completely different directions for 500 years.

There is only one church, and the gates of hell cannot prevail against it.

Thousands of Christian denominations all saying the Bible is the only source of Truth, yet they contradict each other. Jesus founded his church on the rock of St. Peter, the first Pope.

Upon this rock I shall build my church..... I agree, it was accepted that Christianity was irrevocably divided—even lauded. Protestants don't see the critical damage to the faith done by promulgation of division.

Do you not agree that the Catholic Church has just as much division inside the church as the Protestants?

Not sure, last I knew there was more within Protestantism. However, the Catholic church can trace its teaching back to the disciples and church fathers, this is something Protestants cannot do, and herein lies a chief difference.

Dear Protestant friends,

You're attacking Catholics because we believe the Holy Eucharist is really the Body and Blood of Christ.

We get it. Y'all were not the first: John 6:67 After this, many of his disciples went back and walked no more with him.

Please know that 100% of all early Christians believed in the Real Presence.

Y'all broke away and said "it's a community memorial service that we do maybe once a month." Welch's grape juice in plastic shot glasses isn't Christianity. Please study Scripture and early Church.

▲ † 63 ^zIt is the Spirit who gives life; ^athe flesh is no help at all. ^bThe words that I have spoken to you are spirit and life.

64 But ^cthere are some of you who do not believe.” (For Jesus ^vknew from the beginning who those were who did not believe, and ^dwho it was who would betray him.)

65 And he said, “☞☞ This is why I told you ^ethat no one can come to me unless it is granted him by the Father.”

66 ^fAfter this many of his disciples turned back and no longer walked with him.

67 So Jesus said to ^gthe twelve, “☞☞ Do you want to go away as well?”

68 Simon Peter answered him, “☞☞ Lord, to whom shall we go? You have ^hthe words of eternal life,

Why the perpetual virginity of Mary is certain: because the Church says so.

Why the perpetual virginity of Mary is likely:

Angel: you will be pregnant in the future

Mary: how's that possible since I AM a virgin?
